

Good Rules For The
Good Messengers

Prayer that all the messengers of God will have to say as soon as they are allowed to auto-write on their own –

God Almighty I am very proud to have been chosen by You to serve the good people of the earth by now being able to receive good messages of the heavens and God I promise to be good and I promise to help all the good people of the earth to be good and God if I see that any of the good people of the earth are not on Your ways then God I will give a good speech to that good soul and ask the good soul to ask the help of someone from the Spirit World who this soul may think can be guided by to do the good biddings of the heavens and God if this soul is prepared I will present this soul in front of a good prophet who can then guide this soul and contact the good soul's friends or relatives and God if this soul thinks that this soul is good enough and that no guidance is required and God if I feel that a good guidance is a must then God please give me enough courage to go to a prophet and ask the good guidance of the good prophet and God I will then do what the good prophet suggests or if the good prophet then chooses to take all the matter in the prophet's own hands then my God I will not feel that I was left out of performing my duty but God I will then feel pleased that I did do my duty and that now everything will be done to get that good soul 'on the correct ways of God' so please help me always my God.

Prayer for the good messenger to say when there is a hard task to be performed and the good messenger needs God's help –

God please help me and God I am now asking for Your good help only for the reason that I am not in a good position to contact any of the prophets of the earth right now so God please help me to be guided by You or anyone that You may appoint from the good Spirit World and God I will not be making a habit to approach You this way and I will always see that I first contact my prophet who will always be my guide and who will always help me and who will always be in a better position to make my task easy.

Prayer the good messengers must say daily –

God please let all of my family and me be protected by You and God if we are well protected by You then my God we will have nothing to worry about and God we will then be always in a good position to serve You in the exact manner that You will always like so be it my God.

Prayer –

God please give me a good way to get good messages from the heavens and God I am asking for this because I want to help many good people of the earth and God I want that I help them by giving them the good messages of the heavens and God I want to give all messages fast and very accurately and God it is very hard to get all the messages of the heavens if we are not well protected so God please give me a good protection and in a very good way to be able to do Your work in a good manner that You would always like my God.

Prayer for good messengers of God when they want to get a good thought on some messages that they got and when they are not sure of the meaning –

God please give me a good thought so that I can understand without any doubt what the good message that I got from the heavens actually means and God I am not confused but God I want to make certain that the good message actually means what I have understood the good message to be and God if it is not so then my God please help me and please let me know what message is to be in a very correct manner so be it my God.

Prayer for the good messengers when they want to give out good vibrations –

God please accept this good, good prayer of mine and God my prayer is that please keep me very close to You so that I get no bad thoughts and that good will be the only way for me to be and God please give me Your love so that in turn I can give Your love to all that I come across and God I want to give Your love to as many as I possibly can so that the people of the earth can be at peace and so that they can learn to love and God I know that this will please You the most so God please bless me with this prayer.

Prayer for the good messengers to say when they retire for the day and this prayer can be said at any time –

God Almighty after working for so many hours I am now retiring to rest my body and God I have been good and God if I got a chance I also helped someone to be good so God please bless me and God please give me a good message as I now meditate in the restful period of time so God I can receive more good energy and more good thoughts so God when I now wake up I will have more better thoughts to help more good people of the earth and God please keep me protected even in my sleep so that I get no thoughts that come from the evil world.

Prayer for the good messengers to say when they want God to keep all their work protected and this is to be said if they have received some missions on which they are working and they have to store their work in a systematic manner –

God please give my work full protection that the heaven has to offer and God I am asking for this good protection because I am now entrusted by You to do some work that is very useful for the good people of the earth and God I will not be able to complete everything very fast and God I will need more time till I am able to complete and God it may happen that my work may in the mean time fall into some wrong hands so my God please protect my work till I finish all of it in the good manner that You will like.

Prayer for the good messengers to say when they want that all their work now be good and that the work that has been completed may get all the power that it deserves –

God Almighty I have now completed the work that You entrusted me with and God I have done it to the best of my ways and now God this work will be given by me to the good people of the earth and God now that I know that I am allowed to give this good work to the good people of the earth so God now is the time to power this project which is now completed with Your help so my God please power this good project so that it now gets Your blessing and so God it may now work in a good manner that You would want it to work.

Prayer for the good messengers to say when they need some good assistance to complete a good project which was entrusted to them and they now find it very hard to complete their work –

God I am working on this good project that You have entrusted me to do but God I do not mean any disrespect to You but God I honestly feel that this work is outside my working capabilities and so God I feel but it is just not possible that You could have judged me in a manner that I am judging myself and God I have put all my trust in Your ways but God still for some good reason or the other I am not able to complete this in a good manner that I would like and God if this is so then there is no way that You will be pleased with my work and God it is my wish to complete this work without any further delay or without any greater mistakes so please my dear God please give me some company who will please take care of my needs so that I am now able to complete this work in exactly the good manner that You want this work done and God after that I will take trouble to find out what went wrong and I

will ask my prophet as well as my angels to give me strength enough so that this kind of solution is never seeked in the future and God I have already asked my angels to help me in this work and I could not do anything more than what I already did.

Prayer for the good messengers to say when they want some good help to get all that they need for doing something that is required to do God's work – like some good working places or some good goods to do something that is required to complete what God wants from them –

God please give me a good working place with good working materials so that I can do everything that You want me to do and God by a good working place I mean a good place where there are good vibrations and where there is peace and quiet so that I am not disturbed every now and then from what I am doing and God I want to do everything that You would like me to do and God I would also need some good materials to do Your work and God by good materials I mean good things that function well and do not fail when I am doing Your work because God I will need to rely on a lot of good equipment and a lot of good instruments to do Your work and God if these do not work in a manner as they should then God I will have to spend time on getting things done in some other way that is not as efficient as the one that I planned on having and God please give me means enough to get all the good equipment and all the good instruments that I need to do Your work and God I will do my best to finish all Your work in a good manner that You will always like so be it my God.

Prayer for the good messengers to say after they get some work to do from the heavens

God Almighty I am so very happy to have received a good work from the heavens above to do for the good people of the earth and God I am thanking You because it is not all who get such opportunities to serve You in this manner and God I will do my best to do everything in a good and efficient manner and God I will do everything exactly as I am being told and God if I am not able to do anything in a good manner that I should then God I will think over and find out for myself where I am going wrong and my God for this I will also take my good angel's help and God should I still not be satisfied myself at a way I am progressing then my God I will ask You for Your help and God I will only do this when everything else failed and God I am so pleased now that I have this good opportunity of doing Your work that God I will now keep all the pleasures aside till I am able to finish this work and so please help me my God.

Prayer for the good messengers to say when any of their family members get in a good way of not allowing the good messengers the good time that they need to finish the good work that God has given to them –

God please give some understanding to my family members that doing Your work is above anything else for me and God this is so also because God I want to do everything above anything of my worldly ways and God also because it is Your wish and God Your ways are always very hard to understand and God this work that You have given me is so very important to me and also it is very important because I have taken a solemn promise to do Your work above everything else and God many of the good people of the earth may also stand to benefit from it so God if my family does not allow me to function in a manner that I would like to function then God I may not be in a good position to finish Your work in a good manner that You would like and God this may cause my family members to lose their steps in their levels and God I do not wish that to happen so God please give the family members of mine the understanding that they need and God should I finally be able to do the work entrusted to me in the manner that You wanted and God also because this happened only

because You helped all of us this way then God please do not let any of my family members lose their steps in their levels because God they were not at a good level of understanding of Your ways and God I will do my best in future to make all of them understand and make all of them realise that no work can be more important to us all the people of the earth than to do Your work and God please help all to understand this very carefully so that I am not faced with a similar situation once again and God if after that they do exactly what they did then God I will once again ask for Your help but God I will not ask again that they be pardoned for their behaviour which cannot be called as 'a good behaviour of a good family member of a good messenger of God' and God I would also take this good opportunity to ask of You that all the good family members of the good messengers be protected in a good manner so that they know exactly what the good messenger does and please help us all my God.

Prayer for the good messengers to say when they are in need of something that they require for their work that they were entrusted with and if they want that they may have to travel far and they do not want to do that because they do not have any means to travel that far –

God please give me everything that I need to complete the work that You have entrusted me with and God if You have given me the work to do, I know You have looked into all the good aspects of mine and that You have seen that I have everything I need to complete the work in a good and efficient manner but God I do not know all that is around me and God I think that few things that I need are at some far off places and not near enough for me to get so God if there is anything near enough then God please guide me or God please guide the person having these things to me so that I do not have to travel far to get it and God if this is not so and if I have to travel far then God please give me some means to be able to do so and God if I have to spend everything I have I am still prepared to spend all that I have and God if I do so and God later God if my means do not allow me to support my family then God please come to my help as soon as You can and please make me be able to support my family in the good way that I have always supported them and God even if it is found later that these things could have been easily obtained by me from the nearer places had I looked hard enough but God I only would not have looked hard enough for the reason that I wanted to finish all Your work very fast and without any delay and God I was not willing to lose any time only for the reason of putting off a long trip and God if later on I would not have found these things at nearer places then God finally I would have been required to make this trip anyway so please my God please keep me and my family protected always so that we are able to support one another for all the time that we are on the good earth of Yours.

Prayer for the messengers to say when they want to start a good project that God has given and this is to be said only after they have already received and completed a good project in the past and not if this is the first project that God has given them –

God Almighty I am pleased to receive the new good project and God I feel certain that You have now entrusted me with the good project only because You were satisfied with my work done in the past and God I promise to do this good work also in a good manner that You will like and my dear God I am not only proud to have received this but God I am also very grateful because God with every work that I complete I get drawn closer to You and my tasks appear to get more simpler each time I do it when the fact is that each time You give me more harder task to do and God after I complete this task in the manner that You like and God if You have more work that You know are within my working capabilities then God I would want to be able to serve You by doing more and more of Your work so God please entrust me with as much work as You know I will be able to handle on my own and God I do not mean any disrespect to the other good messengers of Yours so my God please give me some more

work only if there is enough work for all of us to do and God if there are any special reasons for me not to get any more work then my God please, please in any situation please always give me all the good blessing and love of Yours for all the time to come.

Prayer for the good messengers to say when they are in need of a good way to be able to do God's work when they are away from their home place – meaning that they have taken up some work that God has entrusted them with but due to some earthly reasons they are required to go away from their home and they may even be required to go overseas –

God I have a lot to finish before I can say that I have completed completely the work that You have given me to do and God I am now required to go away on some urgent earthly work which can at no way be placed above Your work but God please it has so happened that this earthly work that I am told to do also has to be done and that I have to do this only for the reasons that are not directly in my control God and my God if I had even a slightest say in the matter then God there would have been no way that I would have agreed to put this work above Yours so my dear God please give me a good pardon for the delay that will be caused in executing Your plan and God please give me good strength that on my return I am able to make up as much as I can of this lost time and God I promise that I will put a lot more effort than I ever did to try to complete Your work completely to the very best of my ability so be it my God.

Prayer for the good messengers to say when they are not able to give a good attention to the God's work that was entrusted to them due to they not being in the position to give complete attention due to some sickness in the good family –

My dear God Almighty please help me and God I really need Your help now for the reason that I made a good promise to You that I will do Your work to the very best of my ability and God now I am not able to do this in a good manner that You would have liked only for the reason that one of my family member is very sick and God I cannot concentrate on anything because I love this family member so much and so my God please give me strength to do Your work in this very hard situation and God I do not mean any kind of disrespect but God I would be so much more happier if this family member whom I love so much is completely cured from this sickness which in turn will make all of us so very relieved in all our earthly manners and of all the pain that we are now suffering from and then my God I will once again be left to do all Your work with my fullest concentration and God please grant me this if my family member deserves to get cured fast enough so be it my God.

Prayer for the good messengers to say when they want God's help to make them get good new thoughts to do God's work in some good progressive way so that a lot can then be achieved and a lot of good people of the earth can benefit in return –

God please give me some new thoughts to do what I have been doing in a much better way and God with the rapid progress that are taking place and God with the newer ways that are now coming up in the way of all communicating with each other in this world of Yours my God so please my God I do not want to be left out from this excitement and so my God I want to use these new tools to spread the good word of Your good existence and the good existence of Your kingdom and God I want all the good people of the earth to benefit to be able to get all Your messages very fast and very accurately and God I want to make all the good systems of communication also to be the ways of my communication to do all Your work and to spread the good knowledge of Your ways and of Your laws so please grant me all the newer ways of being able to spread all Your good messages and the good messages of the good light of Yours.

Good and important prayer for good messengers to say on a good day of celebration of a new soul in their family –

Please good God Almighty please give this soul Your good blessing and God I will teach this soul everything that is to know about Your good ways and about all Your laws to the best of my knowledge and to the highest level of my ways of explanation and God I will be so very happy if this soul even progresses to much higher level to that I am in and God it may so be that I may get to learn from the good knowledge of this soul and God please give this soul enough understanding to absorb all that I will teach right from the time that this soul is able to understand and God it is only that if this soul starts to be on Your ways as fast as it possibly can then this soul will be able to have a good understanding soon enough to be able to do Your good work and God I will also impress upon this good soul that no work can be more important than Your work and God I will be required to send this good soul to a good place of knowledge to be able to get all the worldly knowledge that it needs to be able to serve the good people of the earth in all the good ways of the earth as well as all the good ways of the heavens and God please give all in the family a good understanding to progress as fast as possible and God with Your help we all will see that this soul always remains on the good path of Your ways because God the good growing up ways are very hard to be able to understand the good importance to be on the good path and God also it is at this part of life that the devil tries to attract all to accept some of the evils of the evil world so please help us all my God.

Prayer to be given to the good people of the earth by the good messengers only when they find that the good soul has tried to give the good things of life to his family but failed for some reason or the other like for example losing his job or not being able to earn enough to afford the items and this is not for affording the good luxuries of life but the good luxuries for the family like good machines to be able to do home work – like the good machines for the kitchen or like some good machines for the entertainment of the whole family or like that of the machines that can be of use to the children for being able to do the good work at the school –

God please give this person a good means and God I am now giving this good prayer to _____ (person's name) so that _____ (person's name) asks for a few things for his family members so that their work can be made easy and also because that they can do their work in more efficient manner and God I want You to power this good prayer only to the extent that _____ (person's name) asks for something for his family and God not for anything that can be called of 'item of luxury' that is beyond _____ (person's name) earning capabilities.

Prayer: *God please grant me a few items that I need to make the life of my family members very comfortable and I want to make them feel happy to some extent and God I will not keep on asking for the good favours like this again and again and God please also bless us all that we are all very satisfied with what we have and please my dear God please give us a good blessing that all of my family and me get enough few good things of life so that we are able to place ourselves as equally as we possibly can with the rest of the people with whom we live with.*

Prayer for the good messengers to say when they are afraid of some situations that they are in and they want God's help to get them out of that situation –

My dear God Almighty I am now in a bad situation and God I have put myself in this bad situation and God I have only myself to blame because God I thought I was doing some good deed and God the person to whom I was actually doing a good favour did not think that help was much needed and God I should have taken a good prophet's guidance but instead God I took it upon myself to do a good favour and God I did this for the reason that I thought that

asking any good prophet everything would be a waste of time not only for me but also for the good prophet and now God I am so very afraid because this good person whom I wanted to help a lot may now have some not so good story to tell and God if this happens then I will not be able to help the good people of the earth because God they will not accept that I did nothing for getting any rewards and I did what I did only to be of use and of help and God I only want to go on helping the good people of the earth so God please give me a help I need to get back the trust of this person who I helped so God this person is thankful that help was given only through me and let this person also realise that actually anything that resulted was absolutely of Your wish and please let this person now accept the good ways of Yours my God.

Prayer of comfort that the good messenger may give only to those the good messenger knows personally and is very sure that the person who gets the prayer is of a very good family background and that this should not be given to those who are not married or are parents who are divorced but it may be given to good single parent who has lost a spouse but has at least one child and not if the spouse is now alone without children –

God Almighty I have been given this prayer by the good messenger of Yours and God I am saying this prayer to get a lot of comfort out of it and God I want more comfort because I feel that I am all alone and God I am very confident that I have the good help of my angels and You my God but in this good world of Yours I am still very alone and God I want comfort for the good reason that my _____ (name) is no more with me (or is with me but is not able to support my doings due to being near invalid) and God my love for my _____ (name) is so very great that there is nothing that I can do except live in the good memories of the good days we had but God this good child (or children) that I have needs to be brought up in good ways to be able to learn all about the good ways of Yours and also the good ways of the world and God I find this very hard to do all on my own because God I also need to make some money for our living and all the good time of mine goes to earn my living so God please give me a good way to bring up my child (or children) in a good manner that I would like and God without having to get a new soul mate.

Prayer for the good messengers to say when they want to celebrate some good reason of some worldly goings – for example, someone getting a new car – or getting a new house – or any expensive new item –

God please bless _____ (person's name) and God please give enough happiness of the _____ (goods) that they have now bought and God please give them also a good way of sharing so that many other good people of the earth can also benefit out of the use of it so God please give us all a good blessing.

Prayer for the good messengers to say when they are celebrating some occasions of joy like someone's wedding anniversary or someone's birthday and they may say this even if they are not with those celebrating and are far from them –

God please bless _____ on the good occasion of _____ and God I want You to bless this good soul for the reason that I know this soul and this soul is very good and on Your ways and also because this soul helps all a lot and God please also give peace to the family so that this soul grows fast and so that this soul can get closer to You faster so be it my God.

Prayer for the good messengers to say when someone comes with a good problem and also because this person is in some good need for a lot of comfort –

God please give this soul a good comfort of the heavens and God please give enough comfort so that this soul can find peace and also because this soul has come to me for a good help

and God I will help this soul in as many ways that I can and I will also pray and ask the good angels to have some word with this soul's angels so that more help can come to this soul and God I will also teach this soul to listen to these angels and to thank this soul's angels too for being with this soul all the time and I will also make this soul to give a good promise to welcome all the angels so that this soul can be helped more by all the good angels of the heavens.

Prayer – and this is to be said only if someone wants that the good messenger pray this prayer for them –

God I am praying this good prayer at the instance of this good soul _____ (name) asking me to pray this on _____ behalf and God I am praying this prayer also because this soul wants a good blessing of all the friends and family of this soul who are in the heavens and God I am praying this prayer for _____ only because this soul is not in a position to be able to talk to anyone and so this soul cannot be sure whether the prayers will reach anyone and God also because this soul has complete faith that You have given me the good gift of being able to communicate with those You have permitted to talk with all of us so God please give us all a good blessing so that this soul can get all the love and blessing of those who can bless this good soul from the heavens above so be it my God.

Prayer for all the good messengers to say when someone wants some help of the good messenger but the good messenger does not like this person and so the good messenger does not know what to do –

God Almighty I have been approached by _____ but God for some reason I do not like this person and God I do not like this person because whenever this person comes near me or even talks to me I get some vibrations that I cannot honestly say are 'very good' or even good enough for me to help this person so God please give me a good help so that I can know for sure what this person really wants and God if I have not judged this person correctly then God please forgive me and please give me a good way to know for sure what I should do and God after that I will do exactly as I am being told by anyone who You have asked to answer this prayer of mine and God I will once again make a solemn promise to You that I will help all the good people of the earth and God by all I mean all those who are sent to me or all those who I come across and all those who want my help and God I will say this prayer again only when I am not sure of someone who gives out some bad vibrations and God this will be the safest thing to do to be guided by someone from the Spirit World and God it is very important that I only help those who You want should be helped and not those who You do not want that I should help so be it my God.

Prayer of thanks –

God please give me a good way of thanking You and all those who are always with me anytime I need help and God now I am always protected so God please accept my good thanks for all the good help and God I thank You above all for this gift which is so very precious and priceless to me so God please guide me to help as many good people that You want that I should help and God I will help them all and God this will get me so much of Your love and God there is nothing else that I want above that so please God please accept my good thanks and bless me my God.

Prayer that the good messengers may need to say when they are robbed of their worldly belongings –

My dear God Almighty today I have been robbed of my worldly belongings and God I am so very upset and God I am not upset because I lost some belongings of mine but God I am upset

because with these good belongings I had many items that were blessed by my angels and You my God and dear God if there is a way I want these back and God with the new way of living there is no reason for anyone to do something like this and God such acts will only lead to people creating more bad vibrations and God please send this person who has stolen my property to me and God I will need to discuss a lot with this person so that this person now can realise that this is certainly not a good way of living and that one can lose steps like no one has ever lost before in this new way of living and God please do not punish this person if this person can realise and understand what I will explain and God if this person does not want to listen to me then I will let a good prophet know about the behaviour of this person and then I will leave it to the good prophet to do whatever the good prophet thinks is a good thing to do.

Prayer for the good messengers to say when someone wants a good blessing of God's good angels and God Almighty Himself –

God Almighty and all the good angels of the heavens please give a good blessing to _____ and God we want that we give this soul a good blessing because this soul has now put all the faith in Your ways and God also because this soul wants to be on the good path that will take this soul closer to You faster so please God give us all a good blessing which will make this soul to know more about all Your doings and more that this soul now can also do everything that You want a good soul to do so be it my God.

Prayer that some good messengers may need when it gets hard for them to pray because of some good disturbances –

God please give me a good way so that I am able to pray to You in the good quietness of all the vibrations and God please give me an environment that is so good that it does not have any bad vibrations and God please even if there are not much of good vibrations God I do not want any bad vibrations and God I want to pray to You a lot and God I want to do this because God so that I can be well protected all the time and God because I can do a lot in Your good name and God I want that to be at a good way and God I want that I have good peace and quiet so God I can be in a good way to welcome all the good angels and God then I can get some very good messages from them and God please give me this place soon because God I am not very certain of the kind of vibrations that exists at the good place at which I am praying at present.

Prayer that the good messengers will need to be helped for being able to fulfil their worldly needs because they want a good way of being able to do God's work and that they do not want to waste time doing all the work of the worldly ways only and not get help for any comforts for the time that they are on earth –

God Almighty I am very happy that I am now entrusted with some work of Yours and God I am happy that very few of the good people of the earth get to be some good messengers of Yours so God I now want to complete all that You have now entrusted me with with all the good ways that it can be done so God please give me enough strength and means so that I am not distracted in any manner and God please give me some help somehow so that I am not troubled with any of the good worldly ways because my God this not only is a good way of taking away my time to do Your work but God it can also get very stressful for me to be able to concentrate so God I do want to put Your work above anything else so my God please give me a good help that I need to finish all my worldly needs so that I am then left to do only Your work and nothing else and God I am asking for this good favour only till I finish all Your work in a very good manner and God after that I will once again be in my good way of

doing all my worldly work once again on my own and God I will once again say this prayer if I am blessed with another work of Yours.

Prayer for the good messengers of God –

God please give me a good way to power all my prayers and God by my prayers I mean those prayers that were given to me for my helping some good people of the earth and now my God I have given the good prayer for _____ to say and God if these prayers are not powered by You then my God these prayers will not be in a position to get answered by anyone from the Spirit World so my God please power these good prayers now and God please protect _____ against all the evil forces when _____ says these prayers.

Prayer of the good messengers to say when they want to spread the good knowledge of God's ways and are afraid that when they do that there may be some good soul who may not be able to understand everything that the good messenger says and so this soul may start to ask questions in a manner that the good messenger may not like and the good messenger may get very distracted from the good points that the good messenger would like to give to the others –

God please give all a good, good understanding of not asking something that I do not want to discuss at the good time when the question is asked and God I am prepared to teach all I know to whoever who wants to know but God I would like to teach in a manner that I would like so my God please let no one distract me when I am teaching because a distraction is not a good way to be at the time when things are taught and God this may even lead to my giving out an information that may not be very accurate so God I do not want that to happen so my God please be with me whenever I teach someone some of Your good ways.

Prayers for the good messengers to say when they want some extra protection when they want to bring a good soul who has gone away from God's ways back to the good God's ways – now this extra protection is needed because evil forces do not want this to happen –

God Almighty I am soon going to have a good discussion with _____ who has gone away from Your good ways in which this soul previously was and God now I feel that this soul has now realised that no evil ways can ever be good for anyone so my God I want to do my best to bring this good soul once again on Your good ways and God I say that this soul is a good soul because now this soul has already decided that this soul would like to be on Your ways and God also because this soul has now asked for my help to be able to do this very fast and God I am prepared to give more of my time to once again get this soul on the correct path so my dear God please help me a lot.

Prayers for the good messengers to say when they want to thank God for everything good that is being done to them and for all the good help that they keep on getting from the good Spirit World –

God Almighty I can never thank You enough for all the good help that I am getting from You and Your good angels of the Spirit World and God I am so very happy that I can serve You in a good manner with all the good help so my God please accept my love and my thanks and so please bless me my God.

Prayers for the good messengers to say when they want to be thankful of all the worldly things that they got, however small they may be, for example, if someone gives a small gift or even if someone has given a good thought to the good messenger –

God please accept my thanks for this small gift God and God any gift that is sent my way is only because of Your wish and God I also consider a good knowledge of my worldly ways if given to me which may be of help to me in my worldly ways to be a good gift and for which I also thanked the person and so my God I also now thank You.

Prayers for the good messengers to say when they need a good way to give some help to those who are very simple and so they do not have many worldly goods –

God please give me a good way to help all these good people of the earth who have approached me for help and God these people have not approached me for some help of the Spirit World or for some good advices from me but God they have approached me asking for some goods and God please give me a way to fulfil these good needs for these good people in some good manner because God I do not have any means by which I can provide these good people with the goods that they want even though God I am completely satisfied that the goods they are asking for are not any items of luxury but these are the items that are very necessary for these good people to have so my dear God please give me the good help that I need.

Prayer for the good messengers to say when the good messengers want to make a good journey and they are making this journey not for some worldly work or for some worldly pleasure but they are making this good journey for doing one aspect of God's work –

God I now need to make one journey to a far off place and God I am going to make this journey so that I can now finish Your work in a very good manner so I think my God and God I do have means to make this journey and God please now give me a good blessing so God my journey can turn out to be a safe one and God on this good journey please let me find everything that I am looking for so God I am satisfied that I completed Your work in a very good way and God to the best of my ability and God during my time of absence from home please give a good protection to my home and my good family and God please let no one miss me to the extent that I hurry up and make this good journey a shorter one to leave the work incomplete and if not incomplete I also do not want to leave the work in a manner that I am myself not satisfied with so please help me my God.

Prayer that the good messengers will need to say when the good messenger gets very tired doing all the worldly work and so when it comes to do God's work there is no good energy left in this good messenger to want to do God's work –

God please it is getting very hard for me to do Your work God after I finish my worldly work and God I do not want to put aside Your work but I want to do it above anything else but God I also need to do all the worldly work to have means to support my family and also myself and God for some reason this worldly work is getting so very hard to complete that I have to put in a lot and God in doing so at the end of the day I get so very exhausted that God then I cannot do anything else except rest myself and God if I do not do that then God I cannot do anything else and by that I am left in such a bad situation that at the end of the day if I get very tired I cannot then concentrate to do Your work and God if at all I keep a firm thought and start to do Your work I still feel that I am doing this in a way which is far from what I can say is 'a good way' and yet God on the next day I am left with a feeling that I cannot do anything at all so my God please help me and please God get me someone to share the good work of my worldly ways so God I can then have good means enough to be able to

concentrate on Your work and so that Your work can get completed not only fast but also in a good manner that You will like so be it my God.

Important prayer for the good messengers –

God Almighty please give all the good messengers who are present here a good thought of doing our work well and God we mean that we want to do the work of Yours in exactly the manner that You want us to do and God if there are some good differences then God please help us to keep these good differences aside and God by that we mean that the differences can only arise if someone has not been able to understand Your good messages and so God we would like that those who have not understood Your messages as You sent them then God please help that all of us now get together and pray for the guidance that we can all get to understand the messages correctly and that all are now very happy that they have now understood all Your good messages in exactly the same manner that You wanted us to understand and God we are also thankful to all the good prophets who helped us to understand the good messages and God we are also going to be very thankful of now being able to understand Your messages and God we are also very good and thankful of not having any differences and God this simply cannot happen now in the new way of living and God if any of the good messengers find it very hard to accept what most have agreed to then God please take the good powers of that good messenger immediately and God if You think that this was by mistake on the part of the good messenger then my God please only let the good messenger now lose the good power of being able to communicate with the Spirit World and God please do not let the good messenger lose any step in the good levels that the good messenger is in because good God all what happened was that the good messenger tried the level best to understand Your messages but failed only to understand them and God it could be possible that the good messenger did not ask to be protected as it was necessary and God for this reason the good messenger was not able to get the good messages as the good messengers should get and God the good messenger was so guided by what the good messenger got to understand as the messages of the heavens and God we also agree that we will still support the good messenger and will also help in all our ways that we can and God we also now understand that should any of us lose the good way of being able to communicate with the Spirit World, there is no way of getting these back so God we are now praying this prayer to get a good help and guidance from the Spirit World and God also for being helped because we know for sure that this prayer is surely going to be answered by You my dear God.

Prayer for all the good messengers to say when they want some help from the good Spirit World for making good vibrations and only if they cannot create good vibrations because now they have been to a place that do not have any good vibrations and this is because they are staying for a few days at their friend's house or they are out on a holiday and the place where they are is not allowing them to get the good messages from the good heavens –

God Almighty I am now away from home but I say my prayers every day yet God I am finding it very hard to get a good protection of Yours so God I am not able to communicate with the good angels of the Spirit World so God please give me some more protection and please give me this new protection right now and God please help me to create some good vibrations that are so good that they remain here for a very long time now so that all the good people get some benefit of these new good vibrations and God also so that if at all there is again a good reason for anyone to communicate with the good Spirit World from this place can then do so without any more protection so my dear God please bless this good part of the earth to get enough good vibrations so be it my God.

Prayer for all the good messengers to say when they want to bless some good people of the earth and they want to give these good blessings because the good people are pleased with the visit of this good messenger and they want the good blessing so that they can get some good vibrations so in turn they get a good return of God's love through this blessing –

God please give Your love and Your good angels' to bless good people and God please bless them and give them all the good protection that they need and God if these good people are able to get some more good protection of Yours then God more good can be done and God these people are very good and kind people so my God please bless them.

Prayer for all the good messengers to say when they want good help of God because some people have told them something evil and they are so very inclined to believe these evil words for the reason that these are said in such a manner that they think that the fact is true –

My God I am so very confused because someone told me something today and God what was told looked to be a fair way of saying but my God I cannot accept this to be true of all the facts and now my God I am so very disturbed that I do not know what to do or what to think so God please give me the true facts in all respects through one of Your good messengers and please let this doubt of mine get cleared once and for all and God please give me a good message which includes all the guidance of what is to be done if the good facts are what I believe to be and as they are in my mind right now and God please if something was said with all the bad intentions only to disturb me and my mind then my God please destroy all of these evil thoughts forever so that they do not come in my mind in any manner of any ways good or bad and please my God keep this person who tried to disturb my mind and me far from not only me but also my good family so my God please give me a good help.

Prayer for all the good messengers to say when they want a good help from God only for the reason that they are behind in doing God's work and that they are behind because the good seasons were not very comfortable –

God please give me some good way to do Your work and God I have already put all Your good work above everything else and God yet I find that I am very slow and God I am slow only for the reason of the seasonal changes that are taking place and God I have not been protected enough from these and God I also do not have very good means to protect myself and also God because I do not earn enough to keep my good place well protected so please my God please give me some good place to go to that is well protected or God please give me some good means so that I can give my place a good protection and God if my place gets a good protection then my God my family will be well protected and comfortable too and my God I would also therefore like to make a good wish to keep my place well protected so please help me my God.

Prayer for all the good messengers to say when they are alone and when they want a good company which can be of help to take care of all the good worldly ways as well as the company can help at times to do God's work –

God Almighty please give me a good company and God I am now asking You for a good company because God I am all alone and God if I am all alone then God I am left to do all the worldly work and God this takes up all my good time which I could have put to some better way like saying of my prayers and God also for worshipping You but my God I cannot do all that I want to because I am all the time busy doing my worldly work and God still I do only that is very important to me so please my dear God please let me have some good company who will be willing to be with me and is capable to take care of all my worldly

needs but God I want this person above all to be on Your ways God because if this person is not on Your ways then this person will not allow me to be on Your ways and God what would be of most use to me would be the fact that I would be able to use this good person's help at any time if at all You give me any good work and God with some extra help my work can also get finished faster and without any mistakes so please God grant me this prayer soon.

Prayer for the good messengers to say when they feel that some vibrations that are not good are in the good places where they are saying their prayers –

Please my dear God please help me and protect me from the bad vibrations that I am feeling and God these bad vibrations are not allowing me to communicate enough to receive all the good messages from the good heavens and God please destroy all these bad vibrations so that I am only now left with good vibrations and my God please give me a way of knowing the source of these bad vibrations so that I can destroy the source that is causing these bad vibrations to happen my God.

Prayer for the good messengers to say –

God please give us good messengers Your love and God please let all of us good messengers serve You in the good manner that You will like and God please give us Your love so that we can help all those who need help and also to be able to comfort all those who seek comfort and God please let all of us the good messengers also give the good people of the earth some very good ways to understand Your ways so God all can be good to be able to help each other to do all that You want and please give all the good people of the earth enough understanding that now there is no reason for anyone to do anything that You do not like and God please let all of us the good messengers be able to help all the good people of the earth now that the only thing that You want from the good people of the earth is good love for all those who want help and to help all in a manner that they do not feel left out and so that all can now live with enough pride and dignity and God please give all of us a good blessing so that we all know that all are promised a good help of the heavens when the help is so wanted by anyone on this earth.

Prayer that the good messengers need when they want someone to help someone –

God please give _____ a good thought to help _____ and God I am asking Your help so that _____ helps _____ because God I know for certain that _____ is in a good position to help _____ and God all that is needed is to put in some good word for _____ so that _____ can be helped and God both of these good people also know that they can help each other even in the future but God they do not want to help each other now because of some very small differences so please my dear God please give both these people to keep all the differences aside so that both of them can be of use to each other for all the time in the future.

Prayer that the good messengers will need to say on occasions of some good souls winning some good winning – not like lotteries or at gambling games but like good winning like some match or some good way of achievement of some kind –

God please bless all those who worked hard enough to be proud to say that the good winning was because of a very good effort on the part of all those who were involved in giving the ability to all those who got this winning and also God to all those who achieved this winning and please God do not let anyone feel proud or anyone feel bad on this occasion because God this was only a good spare time activity and God it is not at all important who won but God what was important was the good involvement of many who got together in a good friendship to make it look a good way to do what all liked so God please give us all a good blessing so that we can try to achieve a similar winning once again in the future.

Prayer that the good messengers may need to do some work for someone who is sick and this work could be for some good worldly ways –

God please give this soul a good recovery soon and God please give this good soul a good recovery because this good soul has to do a lot and God if this soul does not recover fast then God please give me a good help so that I can finish the good work of importance that goes with what this soul is doing and God I want to help this good soul to be able to finish all that is needed to be finished but God I may not be able to understand everything of this soul's work so God please give me a good company or God please give me some ways so that I can be of good help to this soul.

Prayer for the good messengers to say when they want all of the good people of the earth follow the right path of God's ways – and so this prayer is to be said only when someone is not on God's ways in spite of being taught by the good messenger –

God Almighty please give me enough power to give this soul some good understanding that it is very important to be on Your correct ways all the time and God please give me enough power because I am not able to know why this soul is not on the right path to get closer to You and God whenever I have talked to this soul this soul always said that this soul has all the faith in Your ways and in Your laws and also that it is not very difficult for this soul to be on Your right path still my God I find that this soul does not follow Your ways and every time that this soul is questioned by me or by anyone who wishes this soul well this soul only has to say that it is still not too late for this soul to be on Your ways but God we all have told this soul that in fact that it is never too early to be on Your ways and that any delay is not a good one and also that it is always too late if any soul is not on Your ways and my God it is very, very late for those souls who have realised the good importance to be on Your ways and God if this is by any choice of any soul not to be on Your good ways then my God it may cause Your angels to be very sad and so my God please grant me this prayer so that I may be now be able to give this soul another good talk to which this soul can put a good thought to and start to be on Your good way immediately.

Prayer for the good messengers to say when they want a good help of God Almighty because they cannot do everything that God asked of them because they do not have good stuff to do that so now they may in turn have to depend on someone to lend their stuff so that they can finish God's work –

God Almighty I have already started the good work that You my God have asked me to do and God I do not find a few things that I need to get the work completed but my God I know someone who can give me some tools which I may be able to use to get the work completed so my dear God I am now depending on that good person to give me the tools I need so my God please give this person a good thought to lend these to me at the soonest possible time so that I am able to finish all that is required and so my God I can feel happy that I could complete Your work as You would have liked me to complete.

Prayer for the good messengers to say when they are in need of a few things that are of some value but they do not have means to get these but they know someone who have these but they do not want to ask them because the good messenger is not very sure whether this person will part with this person's thing –

God please You have asked me to do some work and God to be able to do this I may need some wealth that is not within my means but God I know someone who has these things which could be very hard for me to ask but God if You give a good thought to this person or my God if You give me enough strength to ask this person then my God it would not get very difficult

for me to finish this work and my God please help me so that this work can get completed very fast my God.

Prayer that the good messenger will need to say when they want to bless someone with good God's blessing on some good occasions like weddings or birthdays and this is not to be taken as a part of any ceremony but this prayer is to be said so that God can give His love to those the good messenger is praying for and for nothing else –

God Almighty please give a good blessing to all who have now gathered here on the good occasion of _____ and God please give us a good blessing to make us all love and live in good peace and God please all those who are gathered here give our good blessing to _____ too.

Prayer for the good messengers to say when they are afraid of something –

God Almighty please give me a lot of strength to face the good situation that I am now in and God I am in this bad situation for no fault of mine or God so I think and please God I need Your help for all the people who know me now to trust me and God this is very important for me because God if I lose the good trust of these good people then my God I will no longer be able to do any work that You may give and God what is more important is that they will not want any help from me and God I do not want that this should happen and God if You think that I have done something that I should not have or God if You think that I have done something that I could have easily avoided then my God please give me a good thought for me to understand this and God I promise to make a serious note of this so that a similar mistake is not made in the future and my God it is still my good wish to help all the good people of the earth so my God please make me not to lose my place with them in any matter of trust so my God please give all Your love to me so that Your love can comfort me because I am very afraid at this moment.

Prayer that the good messengers may need when they are away from home and they are away on some worldly matters to do –

God Almighty please let my family get my love as well as Yours so God they do not feel lonely and so that they are brave in all the situations that they may be required to face and God please keep them well protected so that they are as safe as they can possibly be and God please give them all the strength to be able to feel Your good presence and to be able to feel all the good presence of their angels as well as Yours my God.

Prayer for the good messengers to say when they want to know more about God's ways and they have already asked a good prophet few things and they were told to pray to God and get the good answers themselves –

My dear God Almighty I have a good question to ask and my God I have already asked this to a good prophet and I am told that this question will only be answered to me by Your good angels or You my God so God please give me a good answer that is complete in all respect to the question that I am now going to ask and God please I am asking for this question to be answered in all the respects so that we have no more doubts and also so that there should not be any further need for me to ask anything more as far as this question goes and also that I know that You will not give me any more information on this question than what is already told to me now.

Prayer that the good messengers will need to say when the good messenger is all alone and when the good messenger wants to reflect on what the good messenger should

remember to say to those who would be coming to the good messenger for some help or guidance on some matters that are known to the good messenger –

God Almighty please give me some good thoughts and God I am asking for some good thoughts for the reason that some good people are going to come to me for some help and guidance and God I already know their problem and so God I want some good thoughts to put in front of these good people so that they are happy in all good manner and that they are satisfied that their problem is solved or that they get a feeling that the problem is now so good and that they can now carry on with this problem so that they can now solve it on their own.

Prayer for the good messengers to say when they are in need of some good advice only of the Spirit World on some things that they are working on at present and so that they can finish all their work in a good manner so that all are good and satisfied –

God please come to my help on this matter because I have now almost completed the work and all I need is a very small thought that can make me feel that I did my work to the complete satisfaction of all and my God I am completely satisfied with all that I have done but what I am not sure of is whether all and God by all I mean not only for whom I worked but God also You and the good angels who helped me with this good project.

Prayer for the good messengers to say when they need help to get a good project started and when they know that they have everything that is needed but still they cannot give the project the good start – for example they cannot start a good boat race due to the weather conditions not being very good –

God Almighty please give this project a very good start that it deserves and God we all have in good readiness all that is required for this good project to complete but God for some reason or other we are not able to get this project started so good God we are now going to give one more try to get this good project started after we say this prayer and so my dear God please give this good project a good start.

Prayer for the good messengers to say on a good working day for all the good people of the earth to be able to do their work in the best possible ways –

God Almighty please give all of us a good way of working and God if we all do our work in the manner that the work requires to be done then God few mistakes will be made and God that will then be called a good way of working and God then more progress can be done and God this will help all because God progress will always give us more comforts and God then the world can get to be a more better place to live in with the passing of each good day so my God please grant us all this good prayer.

Prayer that the good messengers will need to say when someone is very sick and when this soul or any of this soul's family or any of this soul's friends wants a good comfort for this soul –

God please comfort this person who I think is a good person who in my knowledge does not cause any reason to give out any bad vibrations but God I am now saying this good prayer because I have been asked and God I have been asked only for the reason that the prayers of all of us who are praying for comforting this soul reach You and God so please give this good person a good comfort and God if this good person can be so comforted that this person can get cured then God that would be the good wish of all who are here praying for this soul so please my God please give me the good way of comforting this person to get well and to be at peace with all.

Prayer for the good messengers to say all the time and on every occasion where they want to give new set of vibrations to anyone –

God Almighty please give Your love to me and also to all those who are around me at this moment and God please let us all get Your love and God please let all of us feel Your love and God please let all of us feel Your good presence around us so God all of us can now get a whole new set of very good vibrations and God please also give these only to the very deserving ones and to only those who have placed complete trust in You and Your ways.

Prayer for the good messengers to say when they want to give someone a good blessing only because someone asked for this blessing and not because the good messenger was really intending to give this –

God please bless this soul with Your love and God please help this soul in all the good manner of Your ways so that this soul is always on Your right path so be it my God.

Prayer for all the good messengers to say and this is to be said when the good messenger wants to help someone to get a good understanding of God's ways and this is to be said for a good soul who is always trying to be good and to be on the right path of God's ways but still this good soul has not completely understood about the good existence of God Almighty and His kingdom and has come to the good messenger to get more understanding of all ways of God and His kingdom and the good messenger should say this prayer before starting to explain anything to the person who wants to know –

God Almighty please guide me to explain to this soul all that this good soul is capable of understanding and I think this soul is a good soul and has approached me to learn more about Your existence and about Your kingdom so God please help me to use the right words which this soul can easily understand and please God it is my wish too to be able to tell and explain everything that this soul is capable to understand and so please my God please help me to help this good soul to get all the good knowledge that this soul is capable of understanding and God also please give this soul some more reasoning power only for the reason to understand the good thoughts that I will put forward to this good soul and God not for the reason that this soul starts to argue to the extent that it can be in fact harmful for this good soul so please give me a good help my God.

Prayer for the good messengers to say on the good occasions of their family members – be it good birthday or a good day of any celebration of any kind –

God please bless my family and God we are all so very happy because God we love each other a lot and God please keep my family together all the time because there is no gift more precious than the good gift of love so God please give all of us Your love too.

Prayer for all the good messengers to say when they are in a bit sad sort of mood and they are in a sad mood only because few things did not go as they would have liked them to go –

God Almighty please give me some strength to come out and face the world now in a manner that any brave person should and God I am asking for Your help because God today everything did not go as I would have wanted the things to go and God I did all that was expected of me to do still my God the end result of everything was so very different from what I thought so God please comfort me with Your good presence and God please give me some good thoughts so that I can once again feel good and happy so be it my God.

Prayer for all the good messengers to say when they are in a good mood and when everything went exactly as they planned and things went exactly as they would have liked –

God please give me all days in the future like the one I had today and God what I actually mean is that I had a very good day today my God and I was so very happy because everything happened exactly as I planned so God the feeling of this good happiness is so very good that I wished that all my days from now go as today went and God I know that all the days cannot be good ones and at the same time all the days cannot also be disappointing ones so God please give me good balance of good and bad days with more days like the one I had today so be it my God.

Prayer for the good messengers to say when they are not at home and are missing their loved ones –

God please give me Your love and God please also give me some good love of my family and God please give me all the means to get the love of my family till I am once again with them my God and God please let all of my family get my love too.

Prayer for the good messengers to say when they are in need of good assistance of someone so that they can now finish the good work that was already started by them –

God Almighty please give me a good company of some good soul who can help me to finish the work that You have given me to do and God I am asking for a good company only if it is in Your good plan that someone else beside me can also know about the matters that are given to me to do and God the reason of my asking for the good assistance of a good company is that at the closing stage I would like to be certain that all that I did was accurate and God this can be done in a good way with a good company so please my God grant me this prayer only if You think that it will be a good need of me and God if You think that this is not at all necessary then please my God give me a good message so that I do all that is required to be done all on my own so please help me my God.

Prayer for the good messengers to say and this is to be said when the good messenger is in a good way of completing the work and is now about to ask God for the power to finish the work – but before doing that the good messenger would like to know whether all that was done so far is liked by God Almighty –

God please give me a good way of knowing that what I have done so far is in good order that You my God like and God please let me know if I need to do anything more than what I have already done and my God if there are some things that have not been accurate enough then my God please give me a good thought so that I know what is to be looked into and my God I will ask You or the good angels who have been helping me to go on with this work and please my God give us all a good blessing so that everything now finishes as per Your plan and in a good way that You want so be it my God.

Prayer for the good messengers to say when they want some good help of someone in the Spirit World to guide them to complete some work and this work is not the one that was given by God Almighty but this is some work of the worldly ways or something that is for the good messenger's own personal work –

God please give me some good help to finish this good work that I have now taken up and God this is a good work (or this work can be of good use to the good people of the earth) so please dear God give a good angel who can guide me into being able to finish this work and my God please give me some more good thoughts so that I can do this in such a good way that all will like all that I did and please my God I will be very grateful and God I will also be

very thankful to You because I realise that though I started the work the completion of this is more important and God I do not know any reason why I could not complete this on my own so please bless me my God.

Prayer for the good messengers to say when they want to go away to different place so that they have enough time to think of God and His angels –

God please give me some good place to visit and God I am asking for a good place to visit where there is nice and quiet and also where there is a lot of peace and good vibrations my God and God please also let me have time enough at this place so my God I can return with whole new set of good vibrations and God please let me be at peace so that all that I do when I am away is God that I be in Your thought and also of Your good angels' so God I can get Your love and also the good love of Your good angels so God when I am thinking of You I would also like to receive some more good information of Your good kingdom and my God this would be the best way to be for me.

Prayer for the good messengers to have and they may only say this good prayer if anyone of their family members ask the good messenger to pray when they are in tense sort of situation like, for example, exams are near or that the good day of the exams are getting nearer –

God please give Your love and some comfort to _____ because God _____ is very excited and tense only because the good day of _____ that _____ was waiting for is getting closer and closer and God actually there is no reason for _____ to be tense but still comfort _____ with Your love.

Prayer for thanking God for all the help and guidance that the good messenger is now able to get from the good Spirit World –

God Almighty please accept my thanks and my gratitude for all the good support that I am getting from You and Your good angels and God I am also very thankful for all in the Spirit World who are with me and helping me at each and everything that I do and God please give my love to all those who You have asked to help me because God I would have no way of knowing them so my God please once again please accept my love and my thanks and God now please God let me have Your good love and blessing and also of Your good angels'.

Prayer for the good messengers to say when they have some good work to do and when they have the right equipment that is so very useful but they do not know to use these –

God Almighty please God I have all that anyone can have at my disposal to do Your work in as good a manner that I would like the work to be done but dear God most of this good equipment is very hard for me to use and God if I am given a good company of the one who knows to use this equipment then my God please send this company to me soon and God I know many who know how to use this equipment but God what I do not know is whether You would like anyone of these to take active participation in sharing this work that You have given to me and God if You think that this work is required to be done on my own then God I am very certain that I will finish this in a manner that You my God will like but still my God I will feel that I could not do it in a better way so my God please give me this company soon or my God please give me a good message that I am now required to do this work all by myself so be it my God.

Prayer for the good messengers to say on good days when things are going wrong that is – that all the plans are getting upset for some reason or other even when the days are giving out best vibrations –

God Almighty please help me – these are the good days when the good vibrations are of the highest order for me to perform well but God for some reason or other all the things are not going as I have planned so God I do not understand what is to be done so please God give me protection so that I can do that I have put my plan into.

Prayer for the good messengers to say when the good messenger wants to comfort the family or the friend of the soul who has now passed away from the earth –

Good God Almighty please give Your love to these good people who have now lost someone who was a good part of their lives and God please comfort them and God please also let each and everyone present here feel the good presence of this soul and God please let all now know that if this soul has been on Your ways then that this soul is now at a place where all would like to be so please my dear God please give all of us a good thought that we all should be good because we are all going to face a day like this once one day in our life.

Prayer that the good messengers must say when the good messenger has some doubts of a soul reaching heavens – not because this person was very evil but because the way the person led the life on earth was not appearing to be the good ways of God –

God Almighty please receive this soul and my God please let this soul now know the consequences of leading a life that did not appear to be good to some good people of the earth and God please I do not mean any disrespect to this soul and this soul could have actually been a very good soul and God if this soul has been a good one then God I am certain that You would have arranged to receive this soul in the good manner of the heavens and if this soul has not been up to Your expectations then God now please advise this soul how to now go about to progress well to be able to get closer to You but God if this soul has not been deserving enough and God if this soul now regrets all that this soul did and God if this soul has not harmed anyone who wanted to raise his family and God if this soul has not caused any harm to any of Your good messengers or Your prophets then God please allow a good chance for this soul to progress so that this soul has some chance of getting closer to You my God and God please if this soul is expected to have a rebirth then my God please direct this soul to a good person who will be very willing to teach this soul all the ways of being able to get closer to You so my God please take good care of this soul in a manner that this soul still stands a way to progress to be able to get closer to You.

Prayer that the good messengers may say this good prayer any time that they would like except when it is time when they are in disturbed mood – so this prayer is only to be said when the good messenger is in a good quiet or a good happy mood –

God Almighty please give me all Your love so God I can spread more good vibrations than those that I am spreading now and God please give me more protection when I may come across to meet someone who has only bad vibrations and please my dear God please keep a closer watch over me when I am with those who have more bad vibrations because God there is no way that I will be aware if someone is giving out some bad vibrations and God I want to give some good help to even those who give out bad vibrations only for the reason that if I try hard enough then I can make this person to be a good source of good energy so that this person can then start to be on the way to give out only good vibrations and please my dear God please guard me when I am with such people because if their bad vibrations cause all my good vibrations to be exhausted then my God I may get some bad vibrations that may affect me very badly and my God I do not want this to happen at all but still my God if this

should happen then my God please give me some more help so that I can get all my good vibrations back at the shortest possible time and God please give me some way for me to know very soon enough that my good vibrations will not match up with someone's bad vibrations so then my God I can then approach this person in a good manner that my vibrations starts to over power those bad vibrations and God please protect me when I do this to the extent that I do not lose any steps in my levels because God that is not what I would like at all and so God please help me to be only helpful to those who need help and to those who are trying very hard to step up their levels so please help me my God.

Prayer for all the good messengers to say when they are in need of some worldly good which they do not need themselves but same is required for the use of their family members so that they can do their good work in a way that they can do themselves and not depend on others to be able to do some small work – for example having a small sewing machine to make or repair some clothes –

God Almighty please give me some means in a good way so that I can get something for my family which they would like to have and God I am not sure if these things can be called things of luxury because God for some these can so appear to be the good things of luxury but God I need these only for the good reason that these items will be put into good use and my God also for the reason that we can get our work done quicker and also my God these will in fact save us lot of money because these things will be well used over a long period of time and my God I am saying this prayer for the good reason that still I am not very sure if this can really be called items of luxury which is not in my good means to have so please help me my God and God if I can get these even from someone who has no use of such items or if someone wants to get rid of it but not for the reason that these items may not be of use over a longer period of time then too I am prepared to accept this as a gift from You if I am so guided so please my dear God please grant me this good prayer.

Prayer for all the good messengers to pray when they want to teach someone God's ways but it can get hard for the good messenger to express the thoughts for some reason like for example both can understand very well some different languages but they are not able to understand a lot in the language that both know as a common language –

Good God Almighty please give me some way to teach all Your good ways to this soul who has now approached me and God I like this soul and God I would like to teach this soul all that this soul would like to learn but God due to some differences in behaviour of both of us we are not able to understand each other in a good manner that we should so please my God give us some way so that we can understand each other so that all my messages are understood accurately by this soul and my God we both are on a good way of behaving with each other and God we also like the good thoughts of each other so please my God let me achieve my mission and please let me be able to teach this good soul all that I can teach and let this good soul learn all that this soul can learn from me so please help me my God.

Prayer for all the good messengers to say when they want to ask for something that is not easily available for them to get and these few things can help them to give some comfort to some good people of the earth –

God please help me to help these good people of the earth and God I want a few things so that the good people of the earth can be happy and comfortable and God these are not at all any items of luxury but these are so very necessary and they have it for the most of the time but God for some reason these are not to be found anywhere near us so God please give us a good way to go about and obtain these items and God please give us these good items at the soonest possible time.

Prayer for all the good messengers to say when they are in need of some help to get some good help for getting a good long trip settled and planned so that everything can go well and because this is what they have to do because God has ordered –

Please my dear God Almighty I am planning a long trip which could turn out to be more expensive than what I would have thought the trip could be and God please I do want to make this good trip and God I am well aware that You will look after me all throughout my mission till Your work is complete but God what I am worried about is only the fact that I have no money with me on basis of which I can plan a good trip like this so God now I need Your very urgent help so that I can now go ahead and make some positive plans with some positive people so that I can return safely and with everything well achieved so please my God give me the good help that I want so that I can feel happy and comfortable my God and please my dear God Almighty please do not let any evil forces be near me so God I can be at peace with myself and not feel afraid and not have any doubts and my dear God I will say a special prayer of thanks once this work is completed to my satisfaction and of course Yours my God Almighty so please bless me my God.

Prayer for the good messengers to say on the days of victory of some family members when they played a game or when they achieved some good results in something good –

God I thank You on this happy occasion of victory of _____ and for achieving this good result on a good day and I am so very happy and proud and God I also ask You to bless _____ and all of the team that participated and God please give _____ enough understanding that though _____ worked hard it was also Your wish or that of Your good angels' that some benefit be showered upon _____ and so God please keep _____ to be in a good way of doing more good things so that with each success and with each victory _____ becomes more aware of the good abilities that _____ has and so please God lead _____ to more good ways my God.

Prayer for the good messengers to say when they are all alone and they want to be at peace and to think only of God so that they can make enough good vibrations to protect their family and all those who the good messengers want –

My dear God Almighty please give me Your love and God please give me enough love to protect me and my family and also my far off family whose names are _____, _____, (and these names should not be more than ten) and also few of my friends who are very good people of the earth as they help all a lot so my dear God please give us enough love of Yours for all of us and God please give my good friends a good way to always be on Your path and God most of all I want the friends of mine to get all Your love and Your protection and God please grant all those whose names I will now read a good angels' help whenever they need the good help of Yours my God and the good friends of mine are _____, _____, (and these names should not be more than five) and please my dear God please give me a way to be in all the good thoughts of Yours so my dear God I can keep on creating the good vibrations that all of us need so much and God please keep me safe all the time and God please I will keep on doing all Your good work and God any work that I will now do will be always in Your good name my God so my God dear God please, please give us all who were in this prayer a good thought and good protection of Your angels and most of all please give us all Your good love.

Prayer that all the messengers must say when someone good has passed on to the good heavens and if the good messenger is not knowing this person but if the good messenger is certain that this soul was good because many other good souls told the good messenger that this soul was a good soul then the good messenger may say this prayer but this is not to be said if there are any doubts of this person's standing and this is not to be said if the person who has passed on has ever been to jail and there is no need to worry if the good messenger said this prayer and it is known after that that the person who the good messenger prayed for did in fact had been jailed –

God Almighty this soul who is now on the way to Your good heavens is a good soul and God please if I have been wrong in judging this then please God do not listen to this prayer any further but God if this soul has really been a good soul then please God receive this good soul in the good manner of Your heavens so that this soul is not afraid any longer and God please send all those who want to meet this soul to receive this soul and God please make this soul get all the good comforts of heavens and please let this soul get all the good comforts and good knowledge of all that is happening so that this soul now can feel Your love and peace of the heaven and so that now this soul may actually be happy that this soul is now nearer to You and God please give this soul a good work so that this soul can now be able to help all whom this soul loves on earth and God please give this soul enough work to look after the good people of the earth and God please give this soul some work to be with more people with whom this person had good contact even though those did not form any part of the good family and God please give this soul a good knowledge of Your kingdom so that this soul can now talk about Your good kingdom to people of the earth to the extent that You want all of us to know.
